BRILLIANT HEAT, BEAUTIFUL TO WATCH

Universal 700SH Low with Bronze Nickel Trim

Jetmaster Universal Landscape Trims

Jetmaster Landscape trims add a new dimension to your Jetmaster firebox. The surround easily clips onto the firebox front hiding the gas controls and convection intake ensuring a sleek clean modern finish. The convection outlet at the top of the firebox is fully exposed to ensure a continuous flow of warm air is expelled into the room.

Landscape Trim Features

- Add a streamlined landscape feel to your Jetmaster Universal firebox
- Easily installed onto existing Jetmaster fires
- Stylish, slimline finish
- Ensures convection flow to heat the room
- Choose from 4 colours to suit any decor
- Choose from 5 sizes (see table below)
